

## Sponsorship Opportunities

*The World Justice Forum is the premiere international event for the rule of law, convening up to 1,000 government and nongovernmental thought leaders from a broad spectrum of disciplines and geographies.*

Sponsors of this event will be recognized as leaders in rule of law advancement and will have enhanced access to the WJP's extensive network of individuals and organizations committed to strengthening the rule of law worldwide.

Sponsors can engage at multiple levels, outlined on the following page. WJP is also happy to work with each sponsor to develop a customized package. To discuss the specifics of your sponsorship and involvement at the Forum, contact Chief Engagement Officer Nancy Ward at [nward@worldjusticeproject.org](mailto:nward@worldjusticeproject.org) or +1-202-569-3816.
