

# World Justice Project Crime Victimization Variable Map 2022

*Variables used in infographics on crime victimization*

This table lists the individual variables from the General Population Poll used to construct Chart 11.1 and the “Reasons the crime was not reported” table in Chart 11.2. The table consists of four columns:

1. **Column one** lists the variable’s identification number within the 2022 General Population Poll conducted in Central America
2. **Column two** lists the indicator being measured as it is described in the infographic
3. **Column three** lists the answer options from each variable shown in each chart
4. **Column four** includes the survey text for the variable

World Justice Project Crime Victimization Variable Map 2022			
Variable Number	Group Label	Answer Options Shown	Full Question Text
