

# World Justice Project Crime Victimization Variable Map

Variables used in infographic on types of crime experienced by people in Paraguay

This table lists the individual variables from the General Population Poll used to construct Chart 7.1. The table consists of four columns:

1. **Column one** lists the variable's identification number within the 2021 General Population Poll conducted in Paraguay
2. **Column two** lists the indicator being measured as it is described in the infographic
3. **Column three** lists the answer options from each variable shown in each chart
4. **Column four** includes the survey text for the variable
