

# World Justice Project Migration Variable Map 2022

*Variables used in infographics on migration by city*

This table lists the individual variables from the General Population Poll used to construct the “Reasons for Migration” tables in Chart 19.1 and Chart 20.1. The table consists of four columns:

1. **Column one** lists the variable’s identification number within the 2022 General Population Poll used in Central America
2. **Column two** lists the indicator being measured as it is described in the infographic
3. **Column three** lists the answer options from each variable shown in each chart
4. **Column four** includes the survey text for the variable
