

## CONSTITUTIONAL LAW, CIVIL LIBERTIES, AND CRIMINAL LAW

The World Justice Project (WJP) is honored to count on your expertise for this questionnaire, which will be answered by highly qualified individuals around the world.

The questionnaire consists of 43 questions, and will take approximately 35 minutes to complete. Your responses will be aggregated with those of other experts and supplemented by the results of a randomized general population poll (GPP) conducted in the three largest cities of your country of practice. Together, this data will be used to evaluate adherence to the rule of law. The results will be published, alongside those of over 100 other countries worldwide, in the *WJP Rule of Law Index*® 2020 report, and in other reports produced by the WJP.

Your contribution will be acknowledged in the *WJP Rule of Law Index 2020* report, as well as on The World Justice Project's web page and other WJP materials (unless you choose to remain anonymous).

Thank you in advance for your time and attention. With your participation, this joint endeavor will contribute to strengthening the rule of law worldwide.
